

ASSESS, GUIDE, AND SUPPORT

It's not uncommon for families to face challenges that impact their overall well-being and happiness at home. These challenges can range from mental health struggles to food insecurity, as well as negative influences from peers and relationships.

The Harbor is dedicated to working closely with your family to identify these issues, develop a tailored plan, and connect you with the necessary services to address and overcome these obstacles through effective case management and referrals.

“At The Harbor, I felt comfortable sharing my concerns and I felt as if I was being listened, and treated fairly...”
 Harbor Youth Client Testimonial

“I believe my son's eyes were opened up from this program, I would recommend it to anyone.”
 Harbor Parent Testimonial

“...I went in so nervous and I'm so glad I went. Not only did (the Harbor staff and I) talk about the situation and everything but we got to get to know each other and our similarities.. I'm so glad I went.”
